**Minutes of the 7<sup>th</sup> meeting of Inter Ministerial Steering Committee (IMSC) under Amended Technology Up-gradation fund Scheme (ATUFS) held on 22.07.2022**

Seventh (7<sup>th</sup>) meeting of Inter Ministerial Steering Committee (IMSC) under Amended Technology Up-gradation fund Scheme (ATUFS) chaired by Shri Piyush Goyal, Hon'ble Minister of Textile and co-chaired by Smt. Darshana Jardosh, Hon'ble Minister of State for Textile was held at 5:00 p.m. on 22<sup>nd</sup> July 2022 in hybrid mode. List of the participants is at **Annexure-I.**

At the outset Special Secretary (Textiles) welcomed all the members of the IMSC. The Textile Commissioner made a detailed presentation on the agenda items before the Committee. The decisions thereon taken by IMSC are as follows:-

**Agenda No. 1: Confirmation of the minutes of the 6<sup>th</sup> meeting of IMSC held on 28.04.2022.**

The minutes of the 6<sup>th</sup> meeting of IMSC held on 28.04.2022 under ATUFS were circulated vide Ministry of Textiles letter dated 23.05.2022 as no comments have been received; the minutes were taken as confirmed by IMSC.

**Agenda No. 2: Action taken report on the decisions taken in the 6<sup>th</sup> Meeting of the IMSC held on 21.04.2022.**

Action taken report on the minutes of 6<sup>th</sup> meeting of IMSC held on 21.04.2022 is at **Annexure –II.** IMSC noted the ATR.

**Agenda No. 3: Issue of advance paid more than margin money under ATUFS**

In certain subsidy claims it has been observed that the advance paid prior to the sanction of Term Loan is more than the stipulated margin. Example is illustrated below:

- Date of sanction of Term Loan- 22.12.2015
- Invoice Value: Euro 252500
- Advance paid: Euro 75750 on 10.11.2015
- % of Advance against Invoice value : 30%
- Margin as per Term Loan sanction letter: 25%

The above claim is not eligible for the benefits under the ATUFS as per Para 4.7 of GR dated 13.01.2016 which is reproduced below:

**Para 4.7 of GR dated 13.01.2016:** *Advance / token payment up to the margin money for machine cost can be paid by the unit prior to the date of sanction of term loan. However, machines purchased on or after date of sanction of the term loan only will be eligible under the scheme subject to fulfilment of other terms and conditions.*

However, the lending agency has clarified that the borrower has remitted 30% of the total invoice value of the machine from his own sources and informed that bank has not reimbursed the 5% excess margin money paid by the borrower to foreign machinery supplier and final margin money is 30% for foreign machineries. Further, the overall final margin money for the project including inland machinery supplier and foreign supplier is 28.50% of the total project cost.

As such the advance paid is still more than the margin money mentioned in term loan sanction letter (i.e., 25%) and hence as per Para 4.7 of GR dated 13.01.2016; the claim is not eligible for subsidy under ATUFS. However, on the other hand, minimum term loan component requirement of 50% of the total project cost is still being fulfilled as per. Para 5.1.2 of GR dated 13.01.2016 which is reproduced below:

**Para 5.1.2 of GR dated 13.01.2016:** *Since the Scheme is credit linked, the entrepreneur will be required to keep the term loan component of machinery at a minimum of 50% of the total project cost, to become eligible under the scheme.*

However the revised GR dated 02.08.2018 has no mention about the component of advance / token payment up to the margin money for machine cost related mater. As per Para 7.1 of Revised GR dated 02.08.2018 under ATUFS “Advance payment up to the limit of his own share in the machine cost can be made by the applicant prior to the date of sanction of the term loan”. Date of applicability of the para 7.1 of revised GR for settlement of such claims has so far not been decided and communicated to the field offices.

In view of the above the date of applicability of revised GR dated 02.08.2018 i.e., advance payment up to the limit of unit’s own share in the machine cost to keep the term loan component of machinery at a minimum of 50% since inception of Scheme i.e. 29.02.2016 may be considered subject to the following:-

- Own share in the component of machinery should be confirmed by lending agency,
- Machine should be hypothecated against particular term loan and
- Compliance of all other conditions in GRs etc.

**Decision of 7<sup>th</sup> meeting of IMSC:** - IMSC decided to allow date of applicability of Para 7.1 of the revised GR dated 02.08.2018 under ATUFS since inception of Scheme i.e. 13.01.2016 i.e., advance payment up to the limit of unit’s own share in the machine cost to keep the term loan component of machinery at a minimum of 50% since inception of ATUFS subject to the followings:-

- Own share in the component of machinery should be confirmed by lending agency;
- Machine should be hypothecated against particular term loan; and
- Compliance of all other conditions in GRs etc.

**Agenda No.4: Implementation of decision of the 5<sup>th</sup> meeting of Inter Ministerial Steering Committee**

With reference to the minutes of Agenda Item No. 6 of the 5<sup>th</sup> meeting of IMSC under ATUFS and protocol to this effect issued by MoT vide TS-16021/1/2021-TUFS section (C-41831) dated 10.01.2022, it is submitted that cases which were condoned for delay as per Agenda No. 6 (B) and 6A(I) of 5<sup>th</sup> meeting of IMSC could not file JIT request as the system is yet to be put in place in line with the aforesaid protocol for Digital inspection. However, in meanwhile this Office is in receipt of representations from the industry for enabling them to file JIT request for physical inspection of claimed assets under ATUFS.

In view of the above and to expedite process of inspections as per the decision in the 5<sup>th</sup> meeting of IMSC, a window for filing JIT request in iTUFS portal for all the cases which were condoned for delay as per Agenda No. 6 (B) and 6A(I) of 5<sup>th</sup> meeting of IMSC **is being opened for filing JIT request and commence inspection of the condoned cases as per MoT approval dated 24.06.2022**

- On receipt of online JIT requests, iTUFS/system/OTXC will randomly select 20% of such claims for physical inspection by JIT in which subsidy value as per UID is upto ₹25 lakh, 40% such claims in which subsidy value as per UID is upto Rs 50 lakhs.
- It is also pertinent to state here that physical inspection will be 100% for the claims in which subsidy value as per UID is above ₹50 lakh.

**Accordingly, MoT has informed that randomized selection will be through online system per se.**

- The remaining 80% of such claims in which subsidy value as per UID is upto ₹25 lakh and 60% of such claims in which subsidy value as per UID is upto ₹50 lakh will be considered for automated Digital Inspection mode on making the portal live.

As there were certain concerns on administrator rights, the Committee on implementation of iTUFS which has stakeholder representatives, decided to go for security audit with CDAC. Last Security Audit done in September, 2021. NIC representative also raised issues for sharing of VPN / Vendor issue/CDAC Observations due to data dissonance. Hence Roll out of automation is to be after assurance on security audit of iTUFS / opinion from C-DAC. This is for kind information of the IMSC.

**Decision of 7<sup>th</sup> meeting of IMSC:** IMSC noted and directed the Textile Commissioner to wait till the outcome of audit.

**Agenda No.5: Ministry to relax timeline of 88 days from date of request for inspection**

As per the decision in the 5<sup>th</sup> meeting of IMSC, a window for filing JIT request in iTUFS portal for all the cases which were condoned for delay ,as per Agenda No. 6 (B) and 6A(I) of 5<sup>th</sup>

meeting of IMSC, will be opened for commencement of inspection. On opening of window for filling JIT request it is expected that bulk request for physical inspection will be filed and accumulated due to request from the regular cases and from cases condoned for delay in the 5<sup>th</sup> meeting of IMSC. As per the GR under ATUFS, physical inspections of claims have to be completed within 88 days of the JIT request on First In First Out (FIFO) basis. Condonation for delay is mandatory in case physical inspection could not be carried out in 88 days from the request by the unit. Nevertheless the Office cannot schedule inspection without getting condonation for delay despite availability of manpower after 88<sup>th</sup> day of JIT request. In order to utilise manpower in optimal possible manner, IMSC may relax the timeline of 88 days for inspection from date of JIT request.

**Decision of 7<sup>th</sup> meeting of IMSC:** - IMSC decided to allow verification of cases by JIT where 88 days time line has been expired / being expired / will expire till three month from the date of making portal live for automation / graded inspection.

**Agenda No. 6:-For examine over invoicing and other issues for allowing high sea sales in ATUFS.**

With reference to the agenda 11.1 of the 6<sup>th</sup> meeting of IMSC: Issue of High sea sales was raised by Sh. Narendra Goenka, Chairman, AEPC. As directed by HMoT, the issue has been examined and placed in the 30<sup>th</sup> meeting of TAMC for deliberation and decision as detailed below:

As per the Para 3.2 and Para 4.2.6 of Resolution dated 29.02.2016 on ATUFS, *Machinery (imported and Indigenous) purchased directly from the machine manufacturers or their authorized agents will be considered for benefits under the scheme. However, the benefit will also be available in case new imported stitching machines required for garmenting/ apparel/ made-ups manufacturing are purchased from the authorized stockiest / custom warehouse located within the country, provided the purchase is made by the consignee/ from a person who has purchased the same directly from the machine manufacturer or their authorized agents. Such machinery will also be eligible for the benefits under this scheme. Under no circumstances, the machinery will be allowed under this scheme, if the machinery has been used even once and/or even for testing purpose.*

Para 3.3 of Resolution dated 02-08-2018, *“Machinery purchased directly from the machine manufacturers or their authorized agents/suppliers will be eligible for capital subsidy under the scheme.*

Machines purchased under High seas sales arrangements in RRTUFS to ATUFS converted cases has been allowed in 14<sup>th</sup> meeting of TAMC as enlistment was not necessary and same was allowed in RRTUFS.

On the above submissions of the policy guidelines, the representatives of AEPC have submitted that nowhere in guidelines for ATUFS, it is mentioned that machine could not be purchased under High seas Sale arrangement.

Possible challenges in case the machines purchased under high sea sales are:

- i. Add on value on the basic cost of machines since the person selling machines through high sea sale will add its cost of import including freight and insurance and finalize deal after adding their profit margin. Thus, cost of machines for the specific model purchased through high sea sale arrangement may not be the same in comparison to the same machines purchased directly from the machine manufacture.

Under ATUFS, machines are directly being shipped by the machines manufactures through invoice being raised on behalf of concerned machine manufacturers by their authorized agents and the percentage of commission of authorized agent is being deducted as indicated in the duly signed MoU provided by the machine manufacture while calculating the eligible subsidy under the scheme. Under high sea sale arrangements, most of the shipping documents are related to basic importer (agent) and payment of machines are being made to agent in place of machine manufactures. Hence, such arrangements may not ensure the right price of the machines and trail of actual payments of machinery to machine manufacturers.

- ii. Further ATUFS scheme has already ended on 31-03-2022 hence it may not be prudent to change the policy guidelines particularly for very few cases. As narrated above, there will always possibilities of higher prices of the same machines. Hence, consideration of machines purchased through High Sea Sales arrangements may not be recommended.

**Decision of 30<sup>th</sup> meeting of TAMC:** Office of Textile Commissioner flagged the reservations raised by the then Financial Advisor of MoT for non concurrence of high sea sale while framing the policy of ATUFS and further added that it was considered to provide benefit for garmenting/ apparel/ made-ups units who purchased machines from authorized stockiest / custom warehouse located within the country as small garmenting manufacturers may not be in a position to bring 30-60 stitching machines in a container.

Representatives of AEPC, SIMA and CMAI deliberated that machines purchased from Machine manufacturer or Authorized Agents through High Seas Sales arrangement may be considered on the following grounds:-

- Import of capital goods through high sea sale is permitted as per Foreign Trade policy Para 2.38 of chapter-2.
- Revision in GR is not required as it is the matter of interpretation of policy per se.
- High Seas Sales arrangement was permitted under previous versions of TUFS.

- Date of invoice of original machine manufacturer and invoice raised by agent of high sea sale shall be within three months.
- For processing of such claims, date of invoice of original machinery manufacturer shall be considered.
- Transaction agreement between original machine manufacturer and agent of high sea sale shall be provided.
- High sea sale reduces time of procurement of machinery.
- High sea sale is just like bulk shipping for different users in single dock.

In view of the above deliberations, it was decided by the TAMC that although there were apprehensions while framing the ATUFS scheme guidelines however industry representatives assured that there would not be any risk in high sea sale like any other transactions permissible under the scheme and the arrangement helps the industry especially to MSMEs hence may be considered subject to fulfillment of all other conditions in GRs etc.

**Decision of 7<sup>th</sup> meeting of IMSC:-** IMSC decided to allow the High Seas sale arrangement for purchasing imported machines under ATUFS since inception of the scheme as there is no specific restriction under GR of ATUFS .

**This is for kind information of the IMSC.**

**Decision of 7<sup>th</sup> meeting of IMSC:** IMSC noted the progress of ATUFS. About 94 crores have been spent and IMSC directed to utilize the 650 crores allocated for this FY well in time. It was also directed to deploy additional manpower in Regional Office of Ahmedabad for settlement of claims.

**Agenda No. 08: Minutes of 29<sup>th</sup> & 30<sup>th</sup> Meeting of TAMC is placed for ratification.**

**Decision of 7<sup>th</sup> meeting of IMSC:** - IMSC clarified that there is no need to ratify the minutes of TAMC by IMSC since functions of TAMC is part of execution of scheme which is to be continued till settlement of committed liability under ATUFS as per guidelines.

Moreover, in order to expedite settlement of long pending cases under previous version of TUFS( MTUFS, RTUFS & RRTUFS), IMSC decided that the units who have availed subsidy under the previous versions of TUFS (MTUFS, RTUFS & RRTUF) shall be issued two reminders seeking their willingness with a span of 21days from the date of issue of letter by the concerned Regional Office of Textile Commissioner and a final notice by registered post along with AD stating to communicate willingness within 21 days from the date of issue of final notice. On non submission of willingness for JIT inspection after 21 days from the date of issue of final notice by registered post, the case will be removed from pendency list and action as per due process will be taken for recovery of subsidy already released to the unit through their lending agencies.

IMSC directed the Textile Commissioner to issue a public notice to the industry and banks to take a note of the above decision.

**Agenda No.9: One time correction in UID under RRTUFS submitted for information of IMSC**

As per the decision of IMSC in the Agenda No. 6(b) of 5<sup>th</sup> meeting held on 23.03.2015, one time correction in UID is allowed. The decision of IMSC is as under:

*“The Committee authorized the Textile Commissioner to allow one time correction within a period of one year. In case beyond one year period, the Textile Commissioner may allow such a correction for reasons to be recorded in writing which will brought to the notice of IMSC”.*

**The condition is that there will not be any increase in the overall subsidy requirement**

In view of the above, one time correction has been made in the following units:

- i. M/s Sona Processors (India) Ltd, Bhilwaraa, Rajasthan (TUFS Ref. No. N030/2013/10685)

Parameters	Original UID	Changes made for correction in UID
Subsidy Type	5%	5% and 10%

- ii. M/s S K Tex Fab, Surat (TUFS Ref. No. C045/2013/9474):

Parameters	Original UID)	Changes made for correction in UID
Subsidy Type	5%	5% and 10%
Subsidy allotted in subsidy schedule	5% & 10%	No change
Subsidy amount	5%IR - IR-Rs.41,16,668/- 10% CS - CS-Rs.21,76,000/-	No change of UID value

- iii. M/s SVG Fashions Pvt. Ltd, Daman, Gujarat (TUFS Ref. No. N004/2013/2368):

The UID had issued in the name of M/s. SVG Fashions Ltd, Daman, Gujarat. The unit name has been changed to M/s. SVG Fashions Pvt Ltd in the Board of Directors meeting held on 21.11.2017 and subsequently registered in the Companies Act, 1956 on 26<sup>th</sup> February, 2020. The Bank of Baroda has also requested to change the name of unit from M/s. SVG Fashions Ltd to M/s SVG Fashions Pvt. Ltd. Therefore, the unit name has been changed as **M/s. SVG Fashions Pvt Ltd in the UID.**

**Decision of 7<sup>th</sup> meeting of IMSC:** IMSC noted the one time correction under Previous version of TUFS.
